WHAT IS LOVE?

Love Love Love

Love! Love! Love!
Oh! What is love
Something lost
but being searched
to make some one happy
　　Like friends
but not pretending

Love! Love! Love!
A feeling
that makes happy
　　when with someone
　　to say sorry
Like in problems
love brings happiness

Love! Love! Love!
　　A sadness washer
which brings happiness
　　creates unity
　　creates friends
　　heals the people's hearts
　　But after forgiveness

Love! Love! Love!
　　It has no age
　　to be shown because
　　it is in our hearts
　　not far to be found
　　in order to make them happy
　　Like our young ones
